

CITIZENSHIP

Activity: Decision Making

Your school is considering banning sweets, crisps and fizzy drinks. Use the following sequence to decide what your class thinks about this idea.

What are the facts?

What are the benefits?

What are the disadvantages?

What other ideas could there be?

Make the decision

Assess the decision

CITIZENSHIP

Activity: Conflict Resolution

In groups, choose one of the following scenarios and think about which Hat sequence you would use (put on your Blue hat) to find a solution or work out what the next steps would be:

- You find out that someone you thought was a friend has been saying bad things about you.
- You accidentally push into someone in the playground. They tell the supervisor that you did it deliberately and you are told off.
- All of your friends are going to the birthday party of a member of the class but you haven't had an invitation.
